<p>PSED</p> <p>Nursery:</p> <ul style="list-style-type: none"> Emotions linked to minibeast Transition – Discussing moving into Reception /

<p>PD</p> <p>Nursery:</p> <ul style="list-style-type: none"> Fine motor – salt dough rolling Making spider webs using pipe cleaners, hole

- Making own fruit salad linked to the very hungry caterpillar
- Make butterfly feeder / bug hotel / wormery

Key people of focus

- David Attenborough
- Entomologists

New children joining in September.

- Discuss emotions linked to transition and offer opportunities for spending time in Reception and meeting new adults.
- Link stories to transition.

Reception:

- Emotions linked to minibeast – how do they make us feel?
- How have we changed over time? Liked to the lifecycle of caterpillar / tadpoles
- Talking about favourite fruits linked to the very hungry caterpillar story. Have opportunity to try some new fruit.
- Healthy lifestyles linked to the very hungry caterpillar – can we make a healthy poster for our families?
- Transition – Discussing moving into Year One in September.
Discuss emotions linked to transition and offer opportunities for spending time in Y1 and meeting new adults.
Link stories to transition and provide opportunities for writing letter to new teacher etc.

punches, threads etc.

Reception:

- Using tools linked to clay minibeast as well as making homes for the minibeast
- Movement linked to minibeast – creepy crawling
- Sports day skills

Please see 'PE planning' for further details

Maths

Nursery:

- Songs linked to counting
- Measuring / size

Reception

- Graph related to favourite fruits (the very hungry caterpillar) / favourite minibeast
- Measuring linked to caterpillar (length)

Maths will be taught discreetly. Please see separate planning and the progression of skills document for further details

UW

Nursery:

- Make wormery
- Go on bug hunts in garden and around school
- Use non-fiction books to find information about minibeast and their habitats

Reception:

- Exploring different minibeast and their habitats – using non-fiction books to help us find information
- Exploring the school grounds for minibeast and make observations on what we find
- Explore how we care for minibeast
- Explore how our world is changing and how we can help the minibeast and look after them
- Creating our own minibeast bug hotel / area in garden
- Going on bug hunt and recording what we find
- Life cycle of a caterpillar, explore other life cycles such as tadpoles
- Make observations over time on caterpillars – what is happening? How are they changing?
- Make transition book for Nursery children with

EAD

Nursery:

- Spirals linked to snails using different media
- Making own minibeasts / 3D salt dough ladybird (rolling)
- Minibeast songs
- Handprint/footprint/finger print bugs
- Rainforest area – bugs, music, make own watery music
- Butterfly painting/printing

Reception:

- Observational drawing of the caterpillars
- Make clay minibeast using tools to add detail
- Make homes for the minibeast (3D art)
- Imaginative play linked to small world
- Minibeast songs

Role-Play:

- Minibeast lab

Please see 'Charanga Music' planning for further details.

photos taken on iPads

Key events / Celebrations:

- Father's Day
- Sports day
- Transition events
- Summer fete

Some dates/events may change
