Live Lesson 1:1 Devices Showcase

This week we held our first ever 'live lesson' where parents, governors and members of the wider Acer Trust were invited to watch a lesson taking place in the school hall. In this case, Mr Jones and year 4 were showcasing how we have been trialling the use of 1:1 devices as tools to support teaching and learning in school. The school invested in a class set of mini-iPads at the start of the year, with the support of FOBs. Since then, all the teachers from year 2 to year 6 have had a chance to trial using the devices to support teaching and learning as part of a trial, with Mr Jones and year 4 leading the way.

During the lesson, the children were taught maths. Each child had access to the slides on their iPads and could make notes and answer questions during the start of the lesson. They could then use these notes and answers during their independent work, if they needed to remind themselves of the learning in order to answer a question in their books. They could also work at their own pace, with extra challenge questions being set on the iPads, so pupils who completed the earlier questions more quickly had a challenge to deepen their learning.

While the lesson was taking place, Mrs Doran and I were able to quietly answer questions or explain what was happening to the parents, governors and guests who had come to observe the lesson.

The purpose of this live lesson was to give parents the opportunity to see how the devices were used in class, leading to a parent consultation on the use of 1:1 devices in school in the future. There will shortly be a web page with more information and a link to the parent consultation which we will send a link to as soon as possible.

In the meantime, thank you to year 4 and Mr Jones for an inspiring lesson, and to the parents and guests who took the time to come and watch the lesson.

You can log your normal walking or cycling – it all counts. Just email your distances regularly (with your name and school name) to superspringsprint@gmail.com. Friends and family can do this too, from anywhere in the world! Just send them the links and they can add to our totals.

All the information is on the QR code further down the newsletter or at this link: <https://sites.google.com/view/super-spring-sprint/home>. To donate to Team Botley, either use the second QR code below or follow this link: <https://www.gofundme.com/f/support-botley-school-in-the-interschool-challenge-2026> Any funds raised will go to FOBs and support the project to provide more fixed playground equipment for the school.

This week is an important week for the Year 6 pupils who sit their KS2 SATs. They have been working so hard on their revision, and we are already incredibly proud of them. I am sure they will give them everything they have! Good luck year 6!

I hope you had a lovely weekend and are ready for another great week of learning at Botley!
Mrs Reid

Botley School Community Concert!

Wednesday 15th July 2026

7pm

Are you a musician looking for a chance to perform?

Would you like to join with the Botley School Choir and pupils of Botley School in creating a magical evening of music?

We would like to invite pupils, staff, governors, parents, Acer Trust staff and Trustees, music teachers and community members who are instrumentalists/singers to sign up to perform in our community concert.

The performance can be solo or a group performance.

The music performed can be up to 5 minutes in length so we can include as many community musicians as possible.

Musicians need to provide their own instruments and equipment for the performance with the exception of pianists, who can use the school piano.

The concert will conclude with everyone performing together.

Audience tickets will be available to buy later in the summer term, with all proceeds supporting Botley School. If you would like to participate, please use the form links below.

If you would like to sign up as a soloist, or as part of a group, please use the application link below.

Applications will close on either 26th June, or when all the performance spaces are filled.

We are looking forward to hearing from all the musicians out there!

'Rock and Pop' Music Lessons!

Exciting news! We are now welcoming Rocksteady Music School to school on Fridays. It's an incredible opportunity for the children to learn to play their favourite songs in their very own bands with a choice of drums, keyboards, electric guitar, bass guitar or vocals. As well as learning new musical skills, lessons also boost children's confidence, well-being, social skills, and teamwork. Lessons take place every week during school time.

These fun and inclusive lessons are taught by highly trained professional musicians who know how to inspire a life-long love of music. At the end of each term, the bands perform a concert for the school and their families, so you can see how far they have come!

Here's what you need to know:

- All instruments are provided.
- No musical experience necessary.
- Suitable for all ages.
- Lessons take place in school.
- All involved work towards an Ofqual qualification in Music.
- Your child will learn up to 300 instrument, band, and performance skills.
- You'll receive regular online parent timeline updates.
- There's a money-back guarantee for the first month.
- You can cancel at any time.

Hi Parent or Guardian,
Is your child more excited about music this evening?
Apologies, that might have something to do with **Rocksteady Music School!**
Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?
Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to **learn new musical skills, make friends and have fun** – all at school! Rocksteady lessons are also shown to **boost confidence, wellbeing, social skills and even academic achievement.**

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an **Ofqual-regulated music qualification**, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's **no experience necessary and all instruments for lessons are provided.**
- You can choose if they shine on **vocals, keyboard, drums, guitar or bass.**
- Proudly watch as your child performs in their **end of term concerts, showing just how far they have come!**
- Rocksteady band leaders are **professional musicians** who inspire a passion for music and support your child every step of the way.

Lessons are £44.88 per month with nothing to pay in August. There's a **money-back guarantee** for the first month and you can **cancel at any time.** Places are offered on a first come, first served basis.

Visit rocksteadymusicschool.com to sign up.

Best wishes,
