

Botley School

Dear Parents Carers,

I hope you are all managing in the heat. We have been trying to keep cool by staying in the shady side of our field under the trees at lunchtime, there have been children with feet in trays of cold water to cool them down, ice lollies and our fans and cooling systems are working overtime.

Unfortunately, because of the heat, we had to cancel our Monster Phonics Day but we continued with our competition to design a monster / superhero. The entries were amazing and so much thought and time had gone in to them. The winning entries range from nursery pupils to year 4 and are in the pictures. They all received a special certificate in assembly today. Thank you so much for all the entries and we hope you had a lovely time making them.

This week we have had two of our year 6 leavers' events. Tonight we will be having our leaver's disco and on Wednesday evening we had our absolutely amazing performance of Alice the Musical. The pupils worked so hard and sang their hearts out, and a particular mention has to go to all the soloists who sang beautifully and confidently. The costumes were amazing, and the set design was stunning and the acting was superb. This was one of the best primary leaver's performances I have ever seen. Thank you to Mr Griffiths and the year 6 team for such an amazing production.

Also, this week KS1, Cherry Class and Rowan Class had lots of adventures, meeting the animals and exploring the farm during their trip to Farmer Gow's Farm. They had lots of fun and were beautifully behaved. Well done to the KS1 and enhanced pathway team and thank you to the volunteers who helped on the day.

I am sure there will be lots of very tired year 4 pupils after their residential to Hill End over the past two days. More on that and photos in the newsletter next week.

Right, I'm off to boogie with the year 6!
Have a great weekend everyone.
Mrs Reid

Botley Community Concert 15 July

The tickets for the community concert are now on sale in the school office or at Botley Library. It's going to be a great evening! More information in the poster below.

Free furniture, donations welcome

We have a large number of school tables and some chairs that are no longer needed. If you or anyone you know would be interested, please email operations@botley.oxon.sch.uk or come and take a look/take some away 2:30-3pm on Wednesday 15 July. In addition there is a storage unit for large paper/artwork, some shelves/assorted pieces of wood/chipboard and a nearly new pallet truck (there would be a charge for this one). Please help us spread the word by telling anyone you know who might be interested, even if only in a few items.

Does your child enjoy singing?

West Oxford Young Singers is run by Jo Gill and Sue Baker from the County Music Service. The choir meets on Wednesdays from 4-5pm at West Oxford Primary School, and is open to children in years 3-6 from any local school. We sing a wide range of songs as well as developing the children's singing and musical skills through games and other activities. We perform regularly in concerts in a variety of venues. The cost of attending is £5.50 per week, which is paid half-termly, with the possibility of reduced fees for families who would find that unaffordable.

We would love to recruit some new choir members for September. If your child would like to join, you can register them on the Music Service website

here: <https://www.oxfordshire.gov.uk/residents/music-service/music-groups/choirs-and-performing-arts/west-oxford-young-singers>

Children are also very welcome to come along for a trial session before committing. Please get in touch with Jo (jo.gill@oxfordshire.gov.uk) directly to arrange this, or just bring your child along to West Oxford School at 4pm on Wednesday 17th September. You are also welcome to [email Jo with any other questions about the choir.](mailto:jo.gill@oxfordshire.gov.uk)

A message from the government:

Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, we have launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

'Rock and Pop' Music Lessons!

Exciting news! We are now welcoming Rocksteady Music School to school on Fridays. It's an incredible opportunity for the children to learn to play their favourite songs in their very own bands with a choice of drums, keyboards, electric guitar, bass guitar or vocals. As well as learning new musical skills, lessons also boost children's confidence, well-being, social skills, and teamwork. Lessons take place every week during school time.

These fun and inclusive lessons are taught by highly trained professional musicians who know how to inspire a life-long love of music. At the end of each term, the bands perform a concert for the school and their families, so you can see how far they have come!

Here's what you need to know:

- All instruments are provided.
- No musical experience necessary.
- Suitable for all ages.
- Lessons take place in school.
- All involved work towards an Ofqual qualification in Music.
- Your child will learn up to 300 instrument, band, and performance skills.
- You'll receive regular online parent timeline updates.
- There's a money-back guarantee for the first month.

- You can cancel at any time.

You can sign up for lessons online at www.rocksteadymusicschool.com.

If you have any questions about Rocksteady lessons, you can call **0330 113 0330** (local rate, office hours are Mon – Thurs 08:00 – 20:00, Fridays 08:00 – 18:00).

ROCK STEADY

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND AT SCHOOL?

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with **Rocksteady Music School!**

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to **learn new musical skills, make friends and have fun** – all at school! Rocksteady lessons are also shown to boost **confidence, wellbeing, social skills** and even **academic achievement**.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an **Ofqual-regulated music qualification**, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's no experience necessary and all instruments for lessons are provided.
- You can choose if they shine on **vocals, keyboard, drums, guitar or bass**.
- Proudly watch as your child performs in their **end of term concerts**, showing just how far they have come!
- Rocksteady band leaders are **professional musicians** who inspire a passion for music and support your child every step of the way.

Lessons are £44.88 per month with nothing to pay in August. There's a **money-back guarantee** for the first month and you can **cancel at any time**. Places are offered on a first come, first served basis.

Visit rocksteadymusicschool.com to sign up.

Best wishes,

Water safety advice.

Spending time near water can be fun, especially in warm weather, but open water can be dangerous even if you are a strong swimmer. Rivers, lakes, canals, quarries and reservoirs can be much colder than they look, with hidden hazards and strong currents.

- Do not jump, dive or swim in open water unless it is a supervised, designated place.
- Never go near water alone - stay with friends and make sure someone knows where you are.
- Be aware that cold water shock can affect anyone, even strong swimmers, and can make it hard to breathe or move.
- Rivers, canals and lakes may have hidden dangers under the surface such as rocks, rubbish, weeds, fishing line or sudden drops.
- Do not take risks to impress others, including dares, bridge jumps or entering the water for social media content.
- If you fall in, try to stay calm, float on your back, keep your airway clear and control your breathing.
- If you see someone in trouble, call 999 or 112, shout for help, and throw something that floats. Do not go in after them.
- If possible, choose supervised swimming venues or pools instead of unsupervised open water.

Remember: Enjoy the good weather, look out for your mates, and stay safe around water.
